— Equipped With —  
Akro **Fireguard**  
Thermal Protection

### WARRANTY

Americase Inc. hereby warrants that its new products are free from any defects in materials or workmanship. This warranty is granted to the Original Purchaser of the product and is non-transferable. In the event of a defect, the case will, at the discretion of the manufacturer, be repaired or replaced without charge to the customer. Any product being returned to Americase must be shipped freight prepaid and packaged or boxed sufficiently as to protect the product from any further damage while in transit.

Warranty excludes exterior finish, normal wear or any damages due to abuse or damages that occur in the event that the case is used outside the parameters of its original design.

**All Americase Super Boxes are manufactured and supplied in accordance with the design and qualification articles that have been tested and conform to the requirements of HM224B.**

Americase assumes no liability for damage to products or merchandise contained within an Americase product. Americase Warranty grants to the original purchaser certain legal rights. The consumer may also have other rights, which may vary from state to state.

#### **Maintenance and Repairs**

Routine maintenance inspections by the shipper are necessary to ensure that each container performs functionally as stated in the HM224B Regulation. Americase may be requested to inspect or offer guidance for containers in question and / or damaged containers. Americase, Inc should complete all repairs and maintenance. In the event that repairs or replacement is needed, Americase will first provide a quote for the repairs and only begin work after the quote is approved.
